HAT TRICK IN BROWARY WARSZAWSKIE!

GET READY FOR THE GAME WITH RL9!

Restaurant, Sports Bar and Fan Zone with a real stadium stand.

Over 1,300 m2 of emotions in the interior plus a garden with a fountain in the middle. 4 levels of the historic 19th-century Brewery - the heart of the Browary Warszawskie. Each zone is a different experience. A different story, but the same love for sport and food.

You are in a place that is supposed to be a true Temple of Sports. We want to thank those who inspire us for their commitment, persistence and motivation. Regardless of whether you win or lose, remember that the perfect motivation on the way to your goal are other people - those who achieve these goals. We invite you to join our team and create a unique place full of great emotions - not only those on the pitch. Let NINE'S be the beginning of our joint adventure in the spirit of sport and fair play.

BE OUR BIGGEST FAN.
Robert Lewandowski with NINE'S Team

3,2,1... ACTION!

RELEASE YOUR EMOTIONS

EACH ZONE IS A DIFFERENT EXPERIENCE, BUT THE SAME LOVE FOR SPORTS.

FAN ZONE

The real Stadium Stand and the screen with the diagonal of 180 inches! This is where we broadcast the greatest sports events and organize conferences as well as business meetings.

RESTAURANT

Additional restaurant floor as well as space for the corporate and private events - together with the Fan Zone, or independently.

RESTAURANT

The main space of the restaurant. This is where you will find our Antipasti Pretzel Bar and the place where we produce our famous nourishing almond „milk”.

SPORTSBAR

Over 20 screens and an octagonal bar. Four independent signals, broadcasting sport events daily. Perfect place for sharing food and spending time with friends during an evening full of emotions.

NEW CHEF

Since April, Artur Oleksy - a rising star of Warsaw's gastronomy - has been the captain in the kitchen. Being a chef was his dream, from an early age he cooked with his mother and grandmother. What he likes the most about cooking is that he can create new flavors, combine products sometimes in an unobvious way. He loves when guests feel happy after tasting his dishes. He is optimistic, always smiling. He loves food, especially steaks and green curry. High standards and the FAIR PLATES WELL SERVED principle translate into his everyday work.

NEW EVENT OFFER

In May we introduced a revolution in our event offer. Pretzel stations, colorful fingerfoods, exquisite tasting menus for special guests. It will be hard to resist. All this is due to the new chef of banquets, Lukasz Paluchowski, well known to Warsaw connoisseurs of exceptional food.
