MILK** **33zł**

*If almonds can become milk, you can become anything!*

NINE's Almond Milk is freshly „squeezed“ daily by our team. A secret recipe that makes our milk exceptionally thick and full of flavor. Available in three flavors: classic, seasonal and with the addition of healthy turmeric - GOLDEN MILK. We recommend the milk cold or warm. Our guests love to use it for homemade breakfasts, such as porridge, shake or cereal with milk.
